

E-WIN - ELECTRONIC LOCK FOR PATIO DOORS AND WINDOWS

- Fits all windows, patio doors and balcony doors with a screw c/c measure of 43mm and a spindle measure of 7x7mm or 8x8mm.
- Easy to install. Use existing screws and mounting holes.
- Opens by wireless RFID chip key or by Bluetooth "E-locks" app.
- Locks by pushing the button on the lock. No need for chip key nor Bluetooth.
- Users (user chip keys) are established and deleted by means of the master chip key.
- Up to 9 users per lock may be established.
- Each user (user chip key) may be programmed to have access to more than one lock.
- Works by 2 pcs. lithium batteries AA/SL760-3.6V. (Not included).
- Download user manual from www.siso.dk and the app "E-locks" in App Store or Google Play.
